SEPTEMBER 1ST 2007

The Challenges Ahead

This year is developing into a good one for the club across all areas but it is also a pivotal one for our development. We are about to embark on a series of major changes and we need your help and I hope you can pick one of the areas detailed below to assist us.

The Cricket

Current situation

- All our senior teams are challenging for promotion this year
- Two of our colts sides reached the County finals day
- A large number of players have rejoined/joined the club this year
- We have four level 2 and eight level 1 ECB coaches

The challenge

- We want to set up a 4th team for Saturdays for next season
- We want one level 3 coach and four more level 1 coaches

What can you do?

- Join a coaching course this winter
- Encourage friends to join our club
- Be available for two more games next season in the critical May/June period

Who can you speak to?

- All captain's and Patrick Ryan re: Colts

The Club House & Square

Current situation

- The Club House is falling down
- The Square is too near the road

The challenge

- Raise funds for a new Club House
- Raise funds to move the square

What can you do?

- Join the fund raising committee/action group
- Give us fresh ideas on fund raising
- Participate in club events

Who can you speak to?

- Owen Edis/Denis Downing

Club Organisation

Current situation

- We have one Management Committee and two Action Groups (Cricket and Colts), there are not enough people helping run all the other important aspects of the Club

The challenge

- Setting up a club organisation with the following Action Groups
 - Facilities (Pavilion, Bar etc.)
 - Ground (maintain square, outfield, ropes etc.)
 - Senior Cricket (selection, umpire, scorers)
 - Colts Cricket
 - Coaches and Schools liaison
 - Child Welfare and Health and Safety
 - Memberships (getting new members)
 - Social (organising events)
 - Publicity (internal and external)
 - Fund raising for development projects

What can you do?

- Contact Owen Edis 01923 446412 email: owenedis@ntlworld.com or Chris Tweedie and volunteer to join/assist one of these groups

Summary

We are an improving club, growing in membership, successful on the field, improving our status within and the cricket community (by the end of the year we will have attained “Clubmark” status). We have ambitious plans but these can only be developed with your help, cricket is a wonderful sport, sport is critical to a healthy and vibrant community, help us develop “Cricket on the Common in the 21st Century”
