Dear Peter,

On behalf of Chorleywood Cricket Club and the merger teams, thank you for your kind letter of the 30<sup>th</sup> December 2009. Having got a plan that the majority of our members, especially our players, agreed to, we are naturally disappointed that the vote did not go as originally expected. As we discussed after your EGM, we still believe that working as one Club will be best for the future development of cricket for all ages and abilities in the Chorleywood and Chenies area.

Such a merger would have required a large amount of goodwill and teamwork, but if the enthusiasm to make it work does not exist for a large number of members, it is the best decision in the short term for our respective Clubs. Should you wish to revisit the concept and reopen discussions at a future date, we are very willing to participate.

In the meantime, we wish you luck with your new arrangements for running and strengthening your club and we will be trying to do the same at Chorleywood. Our best wishes to Chenies & Latimer CC for their future, and a Happy New Year to you all.

Yours sincerely

Owen R V Edis
